

SS What do you do when you are over ruled by God?

2 Corinthians 12:7-9

7 And lest I should be exalted above measure through the abundance of the revelations, there was given to me **a thorn in the flesh**, the messenger of **Satan to buffet me**, lest I should be exalted above measure.

8 For this thing I besought the Lord thrice(**3 times he prayed**), that it might depart from me.

9 And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of Christ may rest upon me.

1. What do you do when God say no? What is this thorn in Paul's flesh? (I do not know? God did not tell me, I know that he was not married, he was not a good looking man, he was bald headed, not sure what is your thorn in your flesh)
2. Don't rely on people, satan sent a messenger to buffet him,(a blow in the flesh) (to prevent, to ended, interrupted, it's a buffet demon, its displayed like avarity of food. Have you ever prayed for something, and you ask God 3 times and he said NO. i request prayer for my dad to stay alive, and he said no, but will you trust God still?)
3. Not happy, no
4. No peace, no
5. Something punching you in the gut, but still no

6. Take away the burden, but no,
7. what is overwhelming you?
8. I can't take another day?
9. This right here is overwhelms me?
10. How be it that God use Paul to heal the sick, deliver so many lives, but his own thorn, God says no,
11. It feels like someone in this room can relate to this
12. You have the right to object, but God overrule you and say no..
13. You can give good advice on the job with the guys, but you go home and you feel like jumping out a window.
14. If it happens to the guy that write the Bible, (new testament)it will happen to you
15. **Jesus prayed 3 times in the gorden to take away this cup, but God says no,** you have been overruled. (Jesus said, nevertheless, not my will but thine be done)
16. But, but, but my GRACE is sufficient , God would not let you get attack on this level unless he give you grace. You have Grace, Grace is better than the thorn in your flesh..
17. If you ask me for a 100 dollars, and say no, you will get bent out of shape, and said am bad, but is I said

yes, you put limit on God for only a hundred dollars. But if God give you grace with a rich person would be better, watch grace, if i tell you to drive down the street, make one left turn, and stop , am going to send someone to give you a million dollar check, which one is best? (The name Grace, refers to "**Five Graces**", — the **five graces** of **sight, sound, touch, smell, and taste**. **God qualify you for this? Grace is divine influence .**

18. You got to trust God when he says no, you have to trust God when you did not get the job, you gotta trust God when it does not make sense, you will WIN IF YOU DO NOT QUIT.

19. I would like to make an altar call with people who are overwhelmed? Who wants to quit, holding on by the skin of your teeth? I remember that I was faced with a 30 day notice to get a kick out of a 9000 sf building, and I call the prayer team to march around the building 7 times and we shouted on the last march, we were not afraid of the Babylon/the police, we trust God. The next day, people start quitting the board one by one. They gave me the building paid in full this is the kind of grace that is on my life, come to the altar for prayer... Somebody said grace...
