#1. Noises

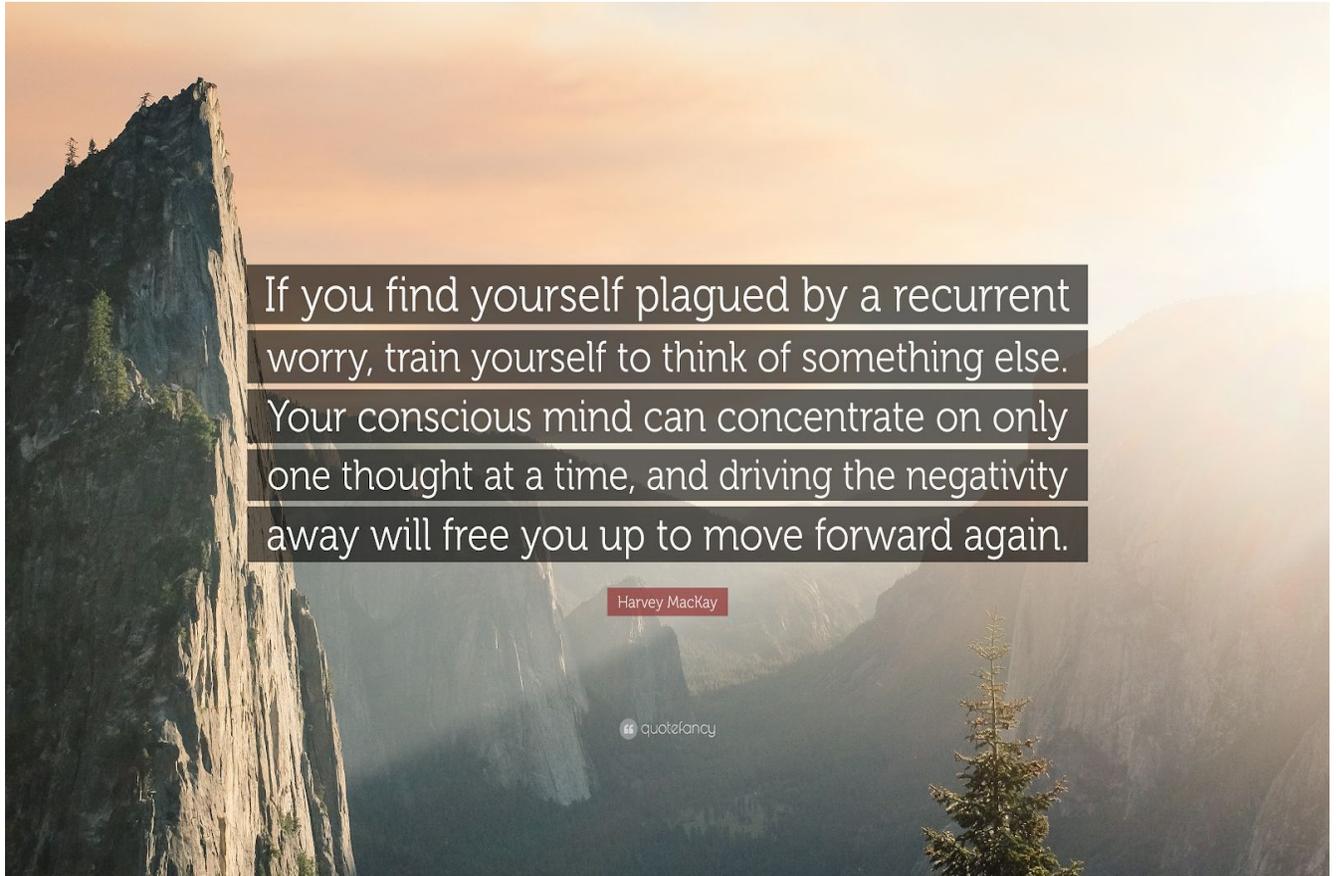

John 10:10

10 The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly.

You can have hope when your circumstances seems hopeless, the thief purpose is to steal, but if you don't have something to steal, the thief would not choose you. except you got something. So you gotta protect it, by turning off the voices. You have something he want... Someone he want, what are you waiting on?

- a. It's not what you go through, but it's how you feel about it.**
- b. You may be going through a tough time, but don't change who you are.**
- c. Don't give up on who you are, and what you are going through.**
- d. Don't let life change your name and forget who you are, the blessings is on you,**
- e. the gift is on you, the promise is on you, the anointing is on you, the word is on you, don't give up on yourself, don't quit, stop saying you don't make a difference, success is always intentional. So turn off the Noises of the thief..**
- f. One thing I can tell you to count on, is don't count on anything, turn off the noises of the thief**
- g. You don't have time to fight with your history, if you are running after your destiny.**
- h. You got to be flexible, and adjustable, and run after whats in front of you, and not what's behind you. Shout, turn off the noises of the thief..**
- i. Are you proud of what you achieve, don't settle there, it's a journey, don't tell me it's over, stop speaking as if your life is over, it's not over, change your mindset. Be Careful who you keep around you.**
