

SS 12 21 2014 GET ON THE LIST BY BISHOP MANNING

SCRIPTURE::: Revelation 20:12

12 And I saw the dead, small and great, standing before God, and books were opened. And another book was opened, which is the Book of Life. And the dead were judged according to their works, by the things which were written in the books.

- The Bible mentions various books,
 -
 - Ps 69:28 Book of the Wars of the Lord
 -
 - Isa. 4:3 Book of the Living
 -
 - Mal 3:16, Book of Remembrance,
 -
 - Rev. 20-12, Lamb's Book of Life.

There are also many books in the Bible that keeps the record of an individuals life.

- Exod. 32:33: "And the LORD said to Moses, "Whoever has sinned against Me, I will blot him out of My book." If one dies without forgiveness of their sins their name vanishes out of the record book of life.
-
- Ps. 139:16: "Thine eyes did see my substance, yet being unperfect; and in thy book all my members were written, which in continuance were fashioned, when as yet there was none of them." God knows who are his, even before they are born, everyone who lives is written in the book of life.
-
- The book of life is a old and new testament doctrine. Phil 4:3 Paul recognized those who labored with him in the gospel, 'with Clement also, and the rest of my fellow workers, whose names are in the Book of Life. "
-
- Rev.3:5: "He that overcometh, the same shall be clothed in white raiment; and I will not blot out his name out of the book of life, but I will confess his name before my Father, and before his angels." We overcome by our faith which is exhibited by faithfulness.

- Rev. 20:15 "And whosoever was not found written in the book of life was cast into the lake of fire."

Today our main focus should be on what is written in the book concerning your life...It's imperative to know what's in that book for your life, it's important to ensure the certainty of the list, and let that list evaluate your life....Do the best you can, be the best you can be, and strive to become all you can be for God, because only what's on this list will last. Be the best father, the best mother, the best of the best and nothing less....

Grief Language

What people say about you is not as important as what God says about you, you must ignore what your haters are saying about you and be conscious about what Almighty God is saying about you...Keep moving forward and do not look back....

Refuse to allow yourself to become what others think about you, do not begin to speak the language of the enemy, grief language is not the way of God. Once you get on grief language list, it's difficult to get off....The depth of your grief, should not be forgotten, you may be grieving right now regarding your losses, while your friends remains silent...[God is acquainted with your grief...](#)

Mary was pregnant with her first child and she did not have the support she deserved, especially that she was carrying the son of God..She was abandoned, rejected, and verbally abused by everyone that knew her, but not for a moment did she speak the grief language, not once did she allow herself to be on the grief list.

Mary stood tall inspite of evil, inspite of hurts, she did not blame God, she spoke words of wisdom, words of life, she remained on the right list.....In any language, you will develop an accent. You need to lose that grief accent now, be like Mary, she knew that God is on her side, she knew that she is on God's list, and she knew that God will take care of her.....Because she remains on God's good list and was willing to speak the heavenly language, when she gave birth to her baby in the manger, she still did not speak grief language, and because she remained on God's list. God send her wise rich men that brought her gifts to make up for her grief.....

Stay on the right list, God will help you, because you are speaking His language. This is what the heavenly languages sound like, I'm bless, I'm rich, I'm heal, am walking in my destiny, I will be who God says I am, and I will be the person God made me to be, I'm the the head and not the tail, above and not beneath, I'm blessed going out, and coming in, I'm a lender and not a borrower.. That's the language God understands, begin to speak it now and watch your life change today.....Archbishop manning...
