Job 42:10

10 After Job had prayed for his friends, the LORD restored his prosperity and doubled his former possessions.

*The first test Satan did was to take away all of Job's animals, killing the servants that were with the animals, and killing all of Job's sons and daughters while they were eating together. Even though Satan did these things to Job, Job did not curse God like Satan wanted Job to do.

4. Don't give up on your dreams, get new passion or new fire. All of us experience pain, but go through it...Grow through it.
5. What happens to you, its an opportunity to be stronger, to get new confidence.
6. Anybody can give up, don't let it overwhelm you, don't waste your pain, and don't waste what happens to you.
7. What happens to you is not there to stop you, its there to prepare you...to increase you and develop you..
8. Every struggle is there to develop you, every painful time is there to develop you...even though you don't like it and its painful when you are in it..
