

A Message to All Corvettes of Fresno Members

Good day to each of you. I really miss seeing you, driving our cars together, and getting together over a good meal. I miss the camaraderie and pleasure of seeing you all. There are two lines of thought among the Board members. Some of us believe this will all go away after the November elections, while others do not think it will change until the inauguration of the next administration. Either way, none of us believe we will hold in person General Meetings in the next two months.

As you all know, we are in a position where we cannot hold a meeting or a run because of the Governor's order placing restrictions on restaurants and other venues. At the present time, the insurance we have through WSCC will not cover the club for any liability incurred at any official, Club sanctioned activities, because those activities would be defined by the Governor's order as illegal.

Corvettes of Fresno should be nominating new Board members and getting ready for an election at the October General Meeting. Considering the above restrictions, it is doubtful the club will be able to hold in person meetings in September and October, so **the present members of the Board have volunteered to continue in their positions for an extra year. If there are no objections, the club will nominate new Board members in the fall of 2021 and hold an election in October 2021. At that time, all positions on the Board will be open for nominations.**

Since the COF Board Monthly Zoom Meetings have gone well, **we have decided to hold a September 2020 General Membership Meeting via ZOOM on Tuesday September 15th at 7 p.m.** On Monday, September 14, Betsy Lindegren will email current members a Zoom Invitation to the Tuesday meeting which will give you information you need to participate in that meeting.

Wishing the very best for us all.

Dave Trauger
