

Concerns of Police Survivors Central Florida Chapter

Rebuilding Shattered Lives

April 25, 2022

Dear Community Partner,

The Central Florida Chapter of Concerns of Police Survivors (COPS) is hosting its 11th Annual Bluelight Gala on October 1, 2022, at the Rosen Centre, located at 9840 International Drive, Orlando, Florida.

Central Florida COPS is a volunteer based organization composed of family members and affected co-workers of law enforcement officers who have died in the line of duty. They are survivors who have to develop their “*new normal*” and learn to move forward in memory of their hero. Our mission is to never forget and walk the journey of hope beside them.

We would greatly appreciate your organization providing a silent auction item for the Bluelight Gala. Your donation is tax deductible as we are a 501(c)(3) charity organization and recognized by IRS identifier 59-3233259. Please complete the silent auction form in the enclosed letter and be sure to contact our Chapter for your opportunity to be a part of this exclusive event.

All proceeds will support the attendance of our members at the Bluelight Gala, which provides an opportunity for our survivors to honor and remember their heroes. We purposely schedule this event close to the holiday season, as we know those are the most difficult times without our loved ones. The Bluelight Gala is just one of the many ways we help rebuild shattered lives and remind our members that we will never forget the selfless sacrifice of their heroes.

Thank you for supporting this great event to honor our heroes.

Sincerely,

Heather Ritter
