## The Presidents Corner:

By: Peter D. Carpenter

Unfortunately, Covid19 has claimed another event!. The 2020 CBMA Show and Weekend are also falling victim to this crazy virus but it won't stop us from giving those individuals that have kept us entertained with the best music and virtual shows in the world an award for their efforts. We will be doing 2 shows on 94.9 The Surf Live from Hoto's on Friday & Saturday November 14<sup>th</sup> & 15<sup>th</sup> starting at 3pm. We will allow some attendees but at this time do not know how many we can let in due to the restrictions of the State, County & City. We will be selling the tables and chairs for the Saturday Industry Awards to go towards the CBMA Scholarship Foundation and are 100% tax deductible since it is a 501c3 organization. Keep checking our Facebook and websites for more details to come as we can plan.

A big Thank You to our Sponsors!!!

## 2021 CBMA Changes:

We are in the process of making some changes to the Academy for the 2021 year. For several years many have approached us to make the Membership Card a Weekend Pass just like SOS. We have decided that this would be a good year to try to implement that into reality since we have some extra time to do the changes this year due to the Corona Virus. For those that buy there membership and also attend the weekend and purchase Weekend Passes, we have implemented a one time fee to cover both and you will now use your card as a pass to get into the participating clubs and venues at OD during the CBMA Weekend. We offer 2 levels just as before for those that would like to Nominate and Vote and for those that would just like to Vote. We have reduced the total cost by combining the 2 together to save those attendees money. We are looking at also

offering a way for you to join and just be able to nominate and vote without getting the membership card. You will also be able to come for the weekend without joining but will save money and discounts by just becoming a full Academy & Associate Member. Keep an eye on the Facebook and Website for more info to come.

### **CBMA Scholarship Foundation Update:**

The CBMA Scholarship Foundation thanks our generous contributions from the supporters of Beach & Shag Music. We gave another \$7,500 in scholarships in 2020 and will be giving more in 2021. We normally raise money for the Foundation through the Saturday Pig Picking, Floor seating at the Industry Awards and at Auctions of various Items throughout the year. So far, we have doled out over \$74,500.00 in scholarships since 2008. ***Remember, the Scholarship Foundation is a 501(c)3 organization which means all contributions are fully tax deductible.***
