PATTAYA, THAILAND

TOTAL PRIZE

US\$ 875,000

FCI Racing Pigeons Grand Prix
Mundial Ranking FCI

Pigeon Collecting

From 1st March - 31st July 2019

Application

1. Applicants must fill in the application form and submit it together with the Pedigree Certificate to the corresponding person or the competition organizer.
2. In the event that the applicant is not the true owner of the pigeons, such applicant must obtain an approval for sending the pigeons or a letter of authorization from the owner of the pigeons.
3. After the pigeon has been sent to the loft and is under the supervision of the organizer, the participant/breeder shall have no right to engage in a physical contact with the pigeon.
4. The organizer will cover the chip ring of each participating pigeon in order to prevent possible fraudulence.
5. In each round of competition, the color of the ring cover will be changed; and in the final round, the ring cover will be removed.

Application Fee

1. The application fee is 550 US\$ per pigeon.
2. The participant/breeder shall make an advance payment of 550 US\$ to the organizer as a raising allowance for the first pigeon; whereby such payment shall be made for every 10 pigeons.
 - Example 1 10 submitted pigeons shall be subject to 550 US\$
 - Example 2 11 submitted pigeons shall be subject to 1,100 US\$ (550x2)
 - Example 3 20 submitted pigeons shall be subject to 1,100 US\$ (550x2)
3. Upon completion of the qualifying round at 120 km, the participant/breeder shall pay for the application fee according to the number of returned pigeons, with deduction of the advance payment that had already been paid. This will activate qualified pigeons for the 3 subsequent races. For example, if 8 out of 10 pigeons returned after the qualifying round at 120 km, the participant/breeder shall pay the application fee for the remaining 7 pigeons.
4. The advance payment of 550 US\$ for the application fee of the first pigeon is non-refundable under any circumstances.
5. The owner of the pigeons shall be solely responsible for the expenses pertaining to the transportation of pigeons to Thailand.
6. Prize money will be paid in the same currency as the collected fee.
7. Two currencies are acceptable for the payment, which include Thai Baht and US Dollar. The organizer will use the foreign exchange rate of Bank of Thailand as a criterion for exchanging Thai Baht to US Dollar.

9. In the event of loss or injury of the pigeon after the qualifying round at 120 km, the application fee will not be refunded in any cases.

ACE PIGEON PRIZE

Since this is a one loft race, the racing distance of each pigeon is equal. Hence, the pigeon that have the right for win the ace pigeon must have to completed all of 3 races and have the results which are at 330 km , 430 km and 530 km the organizer will open the clock system in each race for 2 days since the race day (clock system will close 6 PM on the next day of race day)

Criteria for the winner of Ace Pigeon

The ace pigeon prize will be awarded to the pigeon that is in the top rank of all 3 races, which are at 330 km , 430 km and 530 km , The pigeon with the lowest sum of ranking will be the winner, In the case of an equal sum of the ranking, the winning pigeon shall be determined from the ranking in the final race (530 km) The pigeon with the best ranking will be considered as the ace pigeon.

TEAM PRIZE

1. Pigeons that are eligible for the team prize are pigeons that send at the first time are 10 pigeons per team, although , after the qualified 120 km, pigeons from the same team come less than 10 pigeons, such team still have eligible for team prize.

2. For the participants/breeder who have send over 10 pigeons in the first time, after qualified 120 km, such team have the right to should their pigeons to make new team for eligible team prize.

3. For the participant/breeder who have send pigeons during the collecting pigeon time, such as: 1 team (10 pigeons), 2 teams (20 pigeons) or more, such team have the right to buy free activate pigeon to form new team to eligible team prize, but not over the number of pigeons that send in the first time

Example: from the same participant/breeder have send 20 pigeons in the first time, such team have 2 teams to eligible for team prize, after qualified 120 km, pigeons returned loft remain 15 pigeons, so such team can buy more free activate pigeon and will be formed the new teams, but such team just have 2 teams to eligible for team prize and must name each team as A,B, respectively.

TEAM PRIZE

4. Pigeons that are eligible for the team prize are pigeons that inform ring number in each team, for make the confirmation with organizer, since the race day, such team must have form the new team within 15 days.

5. Upon completion of the team formation, the participant/breeder shall have no right to make any changes to the established team(s) included team name.

6. The organizer will announce details of the participating teams and number of chip ring of eligible pigeons through website or other channels.

Criteria for the winner of team prize

Only pigeons that are in the top 160 rankings of the final race (530 km) are eligible for the team prize.

In the top 160 ranking, the team with the highest number of returned pigeons will be the winner. In the event of an equal number of returned pigeons, the winning team will be determined from the ranking of the 1st returned pigeon of each team. The team with the highest ranking of the 1st returned pigeon will be the winner and received the team prize. Any pigeons that do not meet the foregoing criteria shall not be eligible for the team prize.

Auction and Proceeds

1. All pigeons in the top 250 rankings must be auctioned.
2. Any pigeon without a bidder will be under the ownership of the organizer; whereby the organizer shall have the right to proceed with any actions as deemed appropriate.
3. Proceeds from the auction shall be shared between the owner (60%) and the organizer (40%).
4. On the auction date, the organizer will conduct the auction of pigeons in the top 160 rankings of the final round.
5. For pigeons that are left over from the auction, the owner of the pigeons may purchase them at the price of 40% of the first bid.
6. The participant/breeder may request for the collection of proceeds and prize money on the auction date by providing the application form as evidence.
7. The owner of the pigeons shall be responsible for taxes or other expenses pertaining to the prize money or proceeds.
8. For all of oversea pigeons with ranking higher 250 shall have to join the auction on the website. [proceeds from the auction shall be shared between the owner (60%) and the organizer (40%)]
