August 2020

We need your help!

We're looking for a secondary donation center to be located in the Calumet, Laurium or Lake Linden area. We have multiple partnering churches, volunteers, donors and clients up that way. This would save a lot of time and streamline the process. Bottom line, we want to help the most who are in need in our communities in the most efficient manner.

We are looking for a garage, pole barn, storage unit or even a section of a building. If you are aware of anything affordable (or even free), please send us a message or call us at 1-906-281-9060.

Help us help people in your community. Did I mention that God has fully stocked our Center in Hancock to help those most in need? We are getting ready for the fall and winter busy season.

We have seen God provide in so many different ways through private donors, community members, local businesses and partnering churches. The same person who donated this 7 x 16 enclosed trailer also included the amazing logo and name. This will be a great help making pick ups and deliveries in any kind of weather. Thank you for your generosity and for joining us in our effort of people helping people. May God richly bless you!

It's easy to support the efforts of Love Inc of the Copper Country. It can be done in a variety of ways. You can send a check by mail to:

2801 W Sharon Ave.
Houghton, MI 49931

Or you can give by text at 415-904-5683. You can give one time or on a monthly basis. Donations are tax deductible.

NEWLY STOCKED DONATION CENTER IN HANCOCK

Just a week ago our center sat pretty cleared out, then God happened! You responded to our request for help! Now we have multiple beds (more than we have ever had). We have beautiful dining room tables and chairs, also end tables and coffee tables. Thank you to all who have donated, all who did pick ups and those who helped us move everything in. It couldn't be done if God didn't provide help from willing people. Whether you are down on your luck or just starting out we want to be there for you.
