Oct 9 - 13

**No Canteen for the first week of Term 4**

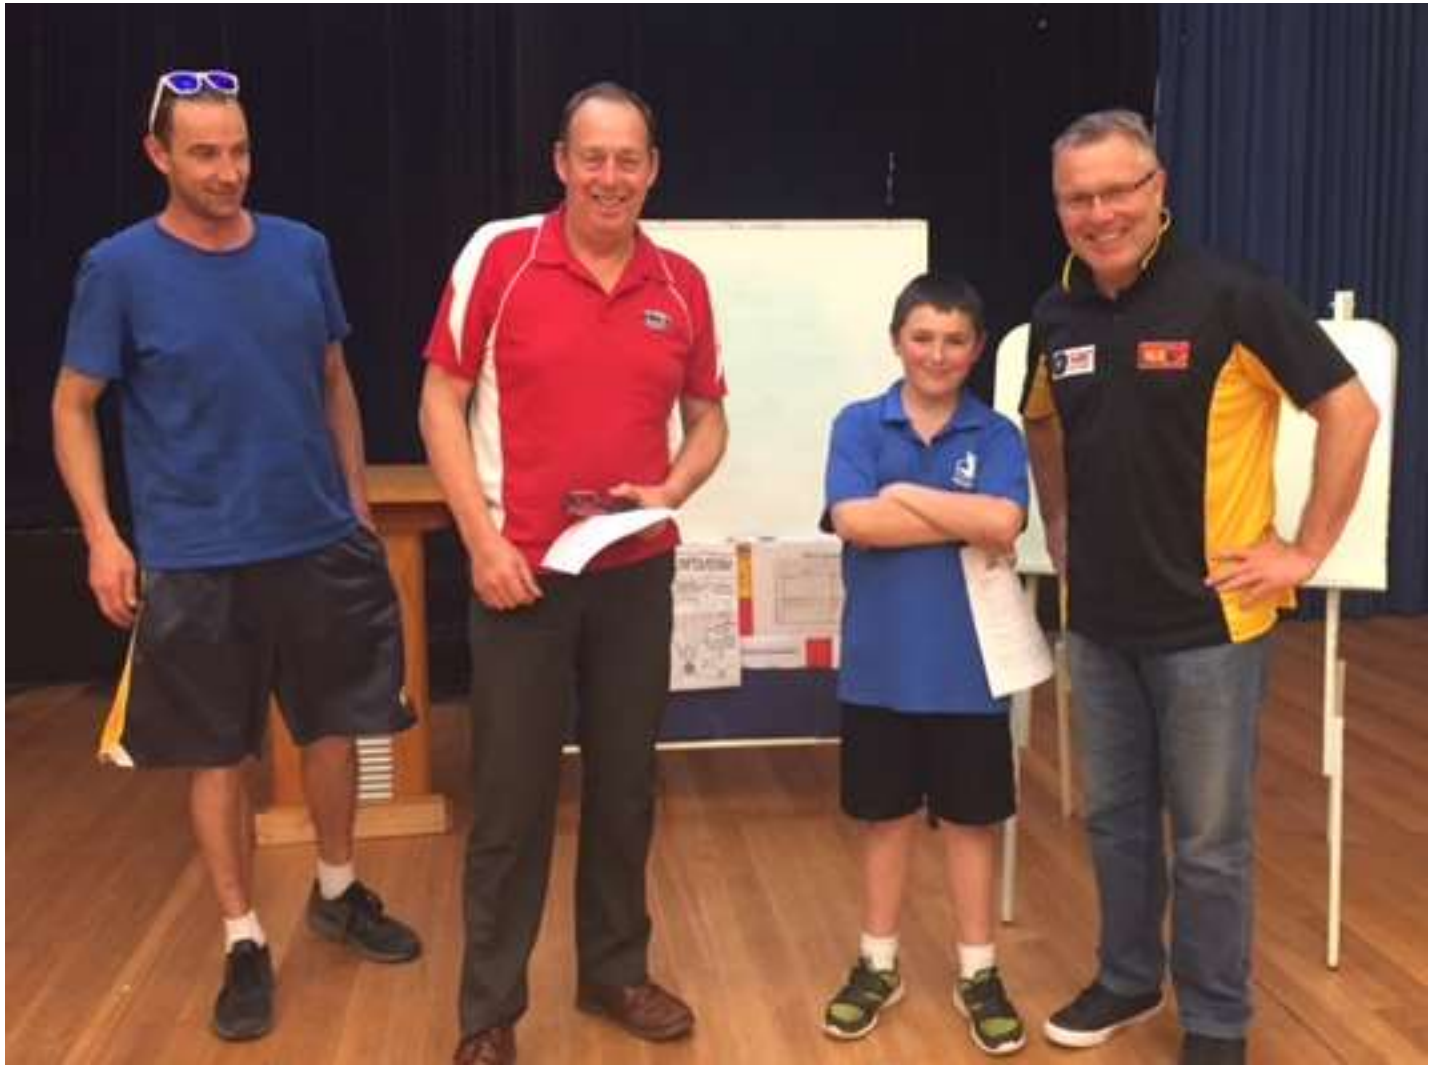

**Grade 6 Sailing School – Mon 9<sup>th</sup>, Tues 10<sup>th</sup> & Wed 11<sup>th</sup> Oct**

**Secret Agent Society (SAS)** – building self confidence, self determination and self belief.

Paynesville Primary School has worked in partnership with Uniting care for a while now. Liz and Michael are in our school delivering a program called SAS – Secret Agents Society. Students learn about social norms and how they work when interacting with others in a range of situations. This is another level of learning about your own strengths and capabilities. While the program does have a well-being focus, the students benefit academically, socially and emotionally. Graduating this term were – Sage, Jailyn, Kayleb and Shayla. Not sure what the bloke in the middle is up to!!

# 2018 Grade 5 and 6 Shark Tank Business Challenge.

The senior students have been learning about business this term. They have all been employed by Grade 5 and 6 Corporation and received a wage. They spent their hard earned money at yesterday's super auction. They have also had to pitch a business idea to the Shark Tank. Using a business plan, they presented their business idea and also asked the Sharks to invest in their company. This was engaging and high quality work with the standard of pitch being superb. A special thank you to Katie Garth, Deanne Howlet, Russell Broomhall and Luke Munn for being our Sharks!!!

# In For a Pound - SRC Fundraiser

The Student Representative Council fundraiser this term was supporting the local Animal Shelter. Students donated a coin to put on their best free dress gear. Some prefer to wear school uniform and simply make a donation.

As part of the 'In for a Pound" **Animal Shelter** fundraiser – the SRC had employed the services of Bec Churches to run *Minute to Win It* challenges in the library all morning. Students from all grades undertook a series of high pressure challenges to test their skill and concentration. In total the SRC team managed to raise over \$120. Well done team!

## Thanks everyone for a wonderful term of school.

Please stay safe over the school holidays. A reminder that families are welcome to come along and use the school grounds in the holidays but **children cannot come to school to play on their own - they must be supervised by an adult at all times**. Please consider your child's safety and ensure they are properly supervised.

During the school holidays a group of 26 students, staff and parents will travel to China to visit our sister school in Changshu. They will also visit and explore Shanghai, Suzhou and Beijing. Have a wonderful time!

Next term we have the transition program starting on Fridays. The pre prep students will be here and all other grades will move up and start to learn the programs and expectations for their next year level. This program is designed to support social and academic learning.

The Grade 6 students start the term with Sailing School and they will be out on the water sailing around the Lakes.

The Grade 3 and 4 area will be working hard on their school play and I know that scripts have been sent home to practice over the holidays. I can't wait for the big show!!

The Grade 5 students have their Rail Trail bike ride to Nowa Nowa and canoe through Lake Tyers coming up. The Grade 6 students will undertake a three day urban camp in Melbourne and the Grade 1-2 students have their school sleepover.

Enjoy the break – and see you next term.
