Dear Parents and Caregivers,

This week is the final week of remote learning for our Grade 3 to 6 students. By all accounts everyone is really looking forward to returning to school for the last three weeks of Term 2. I commend all our students and their families for their amazing efforts over the last few months. I encourage our families to reflect on the last 8 weeks of home learning and think about the positives they wish to retain from this period of time. What have we learnt and valued about our time 'Staying Home'.

Thank you to Jen Blanco for sharing your reflection on our School Facebook Page. I have enjoyed having more time to connect as a family without as much rushing. I think we can look back on this time as a very different one but also a very special time we could enjoy as the parents of school aged children. If you would like to share your family's reflection please email it to me to include in next week's newsletter.

Breakfast Club

In its second week, our Breakfast Club is going strong. Even the kookaburras have heard about it and paid us a visit on Thursday morning. Breakfast Club runs from 8:30 to 8:50am and everyone is welcome.

Footbridge Mini Golf

We have some Free Game vouchers for Footbridge Mini Golf, Lakes Entrance available in the school office. They expire on 26th June. If you would like some for your family please contact the school office.

Sporting School Victoria (SSV) Virtual Cross Country

SSV are running a Virtual Cross Country, details can be found on the webpage link I have provided below. Essentially, students run the recommended distance for their age and enter the time taken to run it online. Students can record their times multiple times.

Scholastic Book Club

Scholastic Book Club is still up and running. Students will continue to bring home the flyer from school but we ask if families could please order via the LOOP system on the Scholastic website. Books can still be delivered to the school free of charge.

ALIA National Simultaneous Storytime

Congratulations, to the Junior School students who won one a book pack worth \$100 for our school library for participating in the ALIA National Simultaneous Storytime.

The Junior students read Whitney and Britney Chicken Divas on the same day and the same time as children all over Australia and New Zealand. The students dressed up and completed fun activities related to the book.

It looked like a lot of fun!
