

Paynesville Primary School

Child Safe Environments Policy

Purpose

The child safe environments policy sets out the school's approach to creating a child safe organisation where children and young people are safe and feel safe; and provides the policy framework for the school's approach to the Child Safe Standards.

Scope

All staff, volunteers, contractors and whether or not they work in direct contact with children or young people. This policy will apply across a range of school forums (e.g. camps, online) and outside of school hours.

Statement of Commitment to Child Safety

Paynesville Primary School is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making, with particular attention paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Paynesville Primary School has zero tolerance for child abuse.

Paynesville Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives.

Every person involved in Paynesville Primary School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

In its planning, decision-making and operations, Paynesville Primary School will

1. Take a preventative, proactive and participatory approach to child safety
2. Value and empower children to participate in decisions which affect their lives
3. Foster a culture of openness that supports all persons to safely disclose risks of harm to children
4. Respect diversity in cultures and child rearing practices while keeping child safety paramount
5. Provide written guidance on appropriate conduct and behaviour towards children
6. Engage only the most suitable people to work with children and have high quality staff and volunteer supervision and professional development
7. Ensure children know who to talk with if they are worried or are feeling unsafe, and that they are comfortable and encouraged to raise such issues
8. Report suspected abuse, neglect or mistreatment promptly to the appropriate authorities
9. Share information appropriately and lawfully with other organisations where the safety and wellbeing of children is at risk
10. Value the input of and communicate regularly with families and carers.

Policy and Procedures	Policies and procedures outlining Paynesville Primary School's approach to the Child Safe Standards are outlined below. For further information, please contact the school's Principal.
A Child-Safe Culture	Paynesville Primary School's culture encourages staff to raise, discuss and scrutinise concerns making it more difficult for abuse to occur and remain hidden.
Personnel Understand Their Roles and Responsibilities	School leaders and managers will ensure that each person understands their role, responsibilities and behaviour expected in protecting young children and people from abuse and neglect.
Staff Code of Conduct	Staff will comply with the school's Code of Conduct. The school's Code of Conduct sets out clear awareness of the difference between appropriate and inappropriate behaviour. Refer to the Victorian Institute of Teaching, Victorian Teachers Professional Codes of Conduct and Ethics
Human Resources Practices and Training	The school applies best practice standards in the recruitment and screening of staff, and will take all reasonable steps to ensure that it engages the most suitable and appropriate people to work with them. We will ensure that staff induction, education and training programs are a vital part of our commitment to safeguarding children and young people from abuse and neglect. All prospective staff and volunteers are required to undergo National Criminal History Records check and maintain a valid Working with Children Check.
Reporting a child safety concern or complaint	The school has clear expectations for staff and volunteers in making a report about a child or young person who may be in need of protection. Immediate action should include reporting their concerns to the DHHS Child Protection or another appropriate agency and notifying the principal or a member of the school leadership team of their concerns and the reasons for those concerns.
Risk Reduction and Management	The school believes the wellbeing of children and young people is paramount, and is vigilant in ensuring proper risk management processes. The school recognises there are potential risks to children and young people and will take a risk management approach by undertaking preventative measures.
Listening to Children	The school has developed a safe, inclusive and supportive environment that involves and

Child Safe Environments Policy

School staff means:

In a government school, an individual working in a school environment who is:

- employed under Part 2.4 of the *Education and Training Reform Act 2006 (ETR Act)* in the government teaching service or
- employed under a contract of service by the council of the school under Part 2.3 of the ETR Act or
- a volunteer or a contracted service provider (whether or not a body corporate or any other person is an intermediary)

Legislative Responsibilities

This school takes its legal responsibilities seriously including:

- **Failure to disclose:** Reporting child sexual abuse is a community wide responsibility. All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to police.
- **Failure to protect:** A person in a position of authority in an organisation will commit this offence if they know of the risk of abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so.
