Hello Everyone,

Thankyou everyone for your support of this year's Bookfair. We have had a very busy admin area this week as people browse through the books and goodies. It has been wonderful watching families looking through the books, discussing the authors and titles and then selecting the books they are going to buy. Fantastic effort everyone.

A reminder that you can bring your Woolworths Earn and Learn stickers into the school office. There is a box to put your stickers or your sheet into. There is also a Paynesville Primary School box in the supermarket. This is a simple way for our school to secure new sports equipment.

## *Grade 5 Excursion to the Bairnsdale Morass*

The grade 5 and 6 classes have been learning about birds. As a part of this work they have had guest speakers talking to them at school about the types of birds found in our local area. On Wednesday the grade 5 students went to the Morass where they met with East Gippsland Water staff and learned about the process of treating water and the role that the Morass plays in that. The students then walked through the Morass with local bird watching expert Chris Healey. Chris showed the students how to identify and observe birds. The students loved the day and they enjoyed the boardwalk out to the bird hide. Who would have guessed that Brock Liversidge and Chris Healey have a love of Birds of Paradise and they are both very knowledgeable about them. Finally – the grade 5 students would like to thank **Jacqui Teague (Ayla's mum), Peter Blackwell (Jorja's dad) and Mel Selleck (Tom's mum)** for coming on the excursion to support the students. Well done everyone. PS – after the Morass visit the grade 5 class went to the Archery Park where they played Laser Tag! For the record the best female player was Jacqui who set a record score. It was a wonderful day that reminded us that there are many wonderful places to visit right on our doorstep.

## *\$2 TACO Tuesday: Next Tuesday Aug 4th*

The Student Representative Council has been busy developing their latest school event – TACO Tuesday. If your child would like a TACO please return the form attached to the office on Monday morning. TACO's are filled with mince. Cheese, salsa and lettuce are available to be added. A special thankyou to Jacqui and Ian Pearson who have kindly offered to shop and cook!

## *Bush Dance Coming Up: Wednesday Aug 12<sup>th</sup> 6pm – 8pm*

Families are invited to join us in the school hall for a good old fashioned bush dance. Local bush band “Just Fiddling Around” will be playing and a good night will be had by all. There is no cost – just bring your dancing shoes.

## *Basketball Results this week*

***What a fantastic night at the basketball on Tuesday night.***

The **Paynesville Blue Girls** played the Flames and won by a single point in a very closely fought game. Special mention must go to Elizabeth Stevens who played a terrific game – an out of bounds specialist!

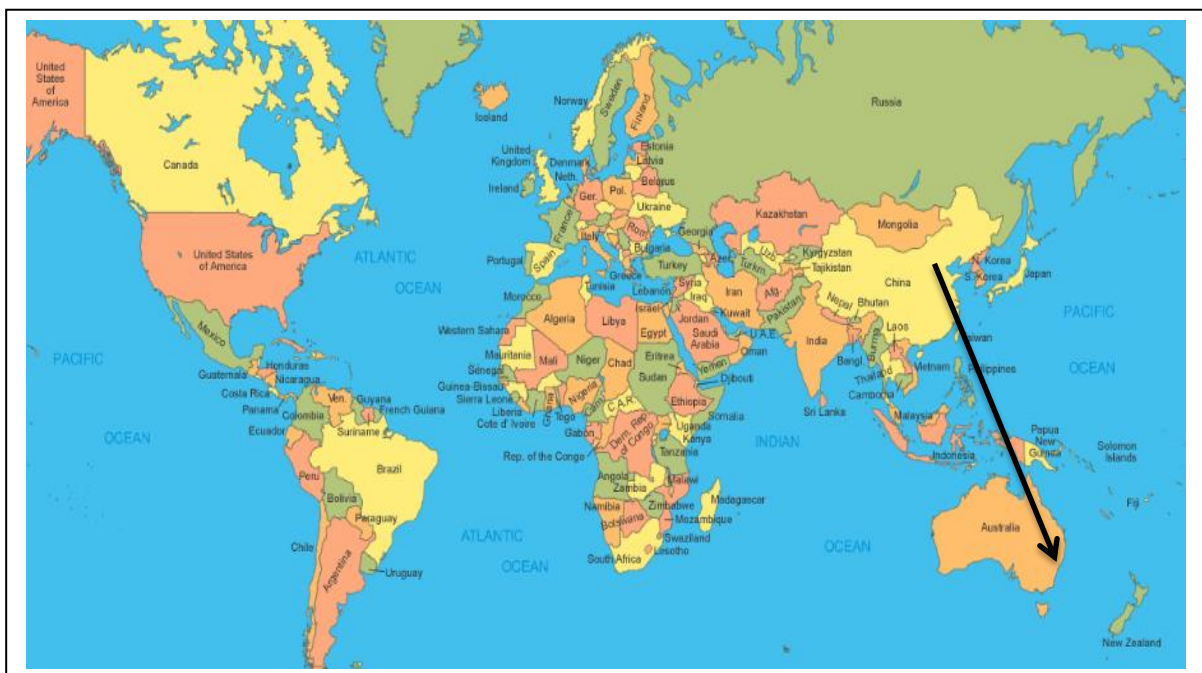

The **Paynesville Gull Girls** played the Go Girls and won by 4 points. Luke would like to highlight Jessica Stevens who played her best game of the season.

The **Paynesville Blue Boys** played Fast and Furious in the game of the season so far. In a game that kept everyone on the edge of their seat we eventually won by 2 points. It was the little guys – Harper, Lachie L, Gus and Andrew who really set the tone with excellent defence. If you ever want to feel old and slow – come a long and watch Kohan play basketball – he is amazing.

The **Paynesville Gull Boys** played the Wild Cats in another tough game. In the end Paynesville lost by 19 points. Steven McKinnon had a great game with Ben Bockmann grabbing a bagful of rebounds.

Well done everyone!!!

***Our Chinese friends arrive on August 8<sup>th</sup>. They will be tired after their 14 hour flight.***
