Dear Parent / Guardian,

Paynesville Primary School is looking forward to another great year of teaching and learning and would like to advise you of Paynesville Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to: a wider offering of subjects and special curriculum experiences; faster WIFI and internet, better quality materials for art lessons.

For 2022 families will be required to purchase their stationery needs direct from Office Choice Bairnsdale. These will be available as a kit format and can be purchased online up to December 16th, 2021. Packs will be available for pick up from the 24th to 28th January 2022 from the store.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Carol Roberts
Principal

Nick Fordham
School Council President
