How well is everyone doing? The grade 1, 2, 3 & 4 students have four swimming sessions this week which is a fantastic effort. All of our swimmers are really doing their best – behaviour and effort are both first class. Please keep putting time in to establishing those home learning routines. Every little bit you do will pay off big time in the long run.

District Swim Carnival Wed 17th Outdoor Pool in Bairnsdale

12pm – 2pm

Thankyou to the students and families who came along to the Trials on Wednesday night. The team list has been finalised and we are ready to go for next Wednesday. Priority is given to those students who made the effort to come along and to those who contacted us before the trials to register their interest and apology.

There are some children who trialled but were not successful. It is a very long pool (50m) and it can be distressing for children if they cannot make the distance. If you did not make it – I encourage you to keep your lessons going, keep training and thenb trial again next year. Thank you everyone and good luck.

Dragon Assembly

Monday was Chinese New Year and we were very lucky to have our very own Chinese Dragon attend assembly! A special thankyou to Kylie Fordham who supplied the dragon. The dragon was well led by Tayla Martin and supported by a dedicated group of grade 6 girls. We also had 4 senior students make their house captain speeches and our second group will speak at next weeks assembly.

Paynesville Netball

More girls needed to play under 11s netball

Girls need to be turning 8 during 2016, and maximum age is 11 (not turning 12 during the year). Games are Thursday nights, no experience required.

Expressions of interest to 0406 713 890, or in person of course. Come and try first.

Thanks heaps Katie Garth (Darcie/Hollys mum)
