### **Board Election**

The Residential Seat term, held by Larry Ott is ending and due to the recent sale of Unit 403, Bob Torvestad's At-Large Seat is vacant. Rich Jones and Larry Ott were nominated to fill the 2 seats. There being no other nominations, by acclamation it was;

**Resolved** that Larry Ott would serve as the Residential Board Member (3-year term) and Rich Jones will serve out the remainder of the At-Large term, which ends in 2020.

### **Unfinished Business**

Management noted that the elevator security keypad had lost some of its numbering capacity and an estimate to replace the keypad came in at \$4K. The consensus among the Members present was to keep the current keypad.

### **New Business**

With both the Garnet and Opal elevator issues requiring down times, the two Boards agreed to unlock the common hallway doors in order to access each other's elevators while repair work was being done. Discussion followed regarding the possibility of permanently leaving the hallway doors unlocked and the sharing of both elevators, as well as sharing Garnet's trash chutes with Opal. Management was asked to further discuss going back to the original open hallways with the Opal Board.

Several Members asked to have the creekside tree trimming piles cleared from near the pine trees. It was noted that the piles represent a fire hazard, as confirmed by the Fire Marshall. The Master Association is responsible for the grounds maintenance and will be notified by Management of the Garnet Association's concerns and ask that the hazard be removed.

Mr. Thornton, who is associated with the Vail Jazz Festival, polled the Members as to their recent experiences with the Riverwalk Series. All responses were very favorable and supportive of the program.
