

Lady Esohe Asemota

2024

CANDIDATE FOR
VICE SUPREME LADY

Greetings my Claver Sisters

I cannot thank you enough for the love, support, and prayers received as I have proudly served as your National Lay Board Member. The Knights of Peter Claver Ladies Auxiliary weathered many storms during my five and a half year tenure and came through stronger than ever with expansion occurring all over the country – from reactivating dormant Courts, to establishing new Courts, and even expanding our Collegiate Unit Initiative. It is imperative that we continue the momentum of this historic growth in the Ladies Division. To accomplish this goal of ensuring the continued growth and vitality of our Noble Order, I am asking for your support and vote as I seek the office of Vice Supreme Lady at the 2024 National Convention. “The journey continues....”

In 2023, in Assisi, Italy, I was elected as the United States Representative to the Board of the World Union of Catholic Women's Organizations at their General Assembly - a first for a Lady of Peter Claver. I now represent all Catholic women's organizations in the United States including KPCLA and the National Council of Catholic Women. This gives us the opportunity to host a WUCWO General Assembly, bringing our Noble Order to the world stage, while expanding our international footprint.

My goals as your next Vice Supreme Lady are as follows:

- Expansion into new geographical areas/Re-establishment of dormant Jr./Sr. Courts
- To work closely with the District/State Deputies and National Counselor to ensure adequate resources are available for expansion efforts
- Member “Check-In” events to promote retention especially of our new members

I look forward to seeing you all at your District/State Conferences and at the National Convention in Oklahoma City in July where I am prayerfully seeking your support and vote to become your next Vice Supreme Lady. Wishing you and yours all of God's grace, blessings and opportunities in the New Year!

Yours in Claverism,

Lady Esohe M. Asemota
