LADY TASHA MCSHAN

2024 Candidate for Vice Supreme Lady

God's Blessings & Greetings to My Claver Sisters,

Thanking you for each prayer, conversation, criticism and praise, because without them I wouldn't be able to thank you for my successful journeys in my Claver walk. I am asking for your blessing and support as I enter the next experience on my Claver journey. Proudly serving as your current Supreme Steward has been an eventful learning experience.

I am asking for another opportunity to serve our noble order in a leadership position. With your love, support and your vote the appreciation and dedication will be in abundance.

MISSION

I understand that if elected, my role as Vice Supreme Lady is a significant responsibility and I will make it a priority. My plans include, but are not limited to:

- Support the Mission, Vision, Values and Goals of KPCLA. I will offer my expertise to help ensure the success of the organization, especially around expansion.
- Stay committed, because commitment breeds discipline, which is essential for achieving any major goal. I will remain committed to all goals set and do whatever it takes to see it through — no matter how difficult or challenging the task may be.
- I will aim for affective commitment, to build connections of healthy sisterhood within our noble order.
- I will further my involvement with KPCLA and play an active role in its development because I believe in our missions.

My goals as your next Vice Supreme Lady are as follows:

- Collaboratively work with District Deputies on **Retention**, **Re-establishment** and **Recruitment**.
- Assist in ensuring equity and voice.
- Provide independent and collaborative ideas to help in pushing our noble order forward.

I look forward to seeing you all at the National Convention in Oklahoma City in July. I am seeking your support, prayers and vote to become your next Vice Supreme Lady. God's many blessings to each one of you.
