Do you know that 100% of your contribution goes directly back to the community? We are 100% volunteer; not one penny goes into our pockets or toward office space. We work from home!

Are You a Golfer?

Big Heart Brigade recently received the honor as a recipient charity of the Florida Club Managers Association - Seminole Region 100-Hole Challenge for 2022. One of the greatest challenges a golfer can face, the 100 Hole Challenge raises funds for the recipient charity.

- Each golfer completes his/her 100-holes in a single day, or spread across several plays.
- Each player solicits sponsorships from their Circle of Influence to reach their personal donation goal. (typically, \$1-\$3 per hole pledged.)
- The sponsor presents the donation, payable to the charity.

The group selects a desired club to play (typically private clubs that are not available to the public). The request is submitted to the FLCMA.
