

APRIL MESSAGE: MONTH OF

DIVINE VISITATION & OPEN DOORS

ISSUE #1 | APRIL 2024 | VOLUME 4

Suddenly there came a sound from heaven as of a rushing mighty wind, and it filled the house where they were sitting....and were all filled with the Holy Ghost..Acts 2.2, 4.

And the Lord caused the sea to go by a strong east wind all the night and made the sea dry land and the waters were divided....Ex. 14. 21

We bless the Lord for the many glorious things that happened to us as individuals and especially to our nations in the past month.

As the wind of the Lord blows over all nations in this season it we experience divine visitation and open doors. This month starts in the midst of the greatest celebration in the Christian calendar: the Death and Resurrection of the Lord Jesus Christ.

The death and subsequent resurrection of Christ on the third day were indeed manifestations of divine visitation. They also lead to opened doors for His faithful and diligent disciples to access the power of God. This Prince of Peace and King of kings who lives and reigns forever therefore lives in us by His Holy Spirit power. No doors or gates secured by and or in whatever form or power--physical, spiritual or political-- could stand against God's plans for your deliverance and destiny.

As the wind of the Holy Spirit blows your way in

this season, every Red sea situation in your life would open just for you to cross over. Expect to see miracles and wonders of open doors but also of divine provision from distant lands to our families, businesses, cities, nations and continents within this month and beyond.

Finally, as global events unfold, we are called to be part of those who with the spirit and power of Elijah announce and prepare our world for the possible soon (second) coming of our Lord. Please use this month to ascertain that you indeed belong to those to be taken up anytime the Lord comes back for those prepared (Lk.19.13). Be sure that you made the Lord Jesus Christ the Lord of every aspect of your life and be an effective witness. That way you are able to help others to make this most crucial decision and also to prepare your city, nation and continent.

Engage the Spirit of the living God to rule over your world in the secular and spiritual realms as did the early disciples and the modern ones--like the three young men who started the delivery company DHL, acronym of their last names, some 55 years ago.

Rise up, brother and sister: its your season of divine visitation and open doors.
