For the Forgotten Ones

Never Forgotten

Sasha, 4 years old. He and his grandma got in a boat and tried to escape. Mom was separated and kept believing he would be found alive. He was found, shot dead. Prayers!

Prayers Work!

Our pastor friend Yuri baptizing many. Holding services for hundreds. People meeting Jesus.

Don't Believe the Lies!

Shepherd's Purse has worked in Ukraine for almost 20 years in 10 cities. We have friends all over the country and we know what is going on. Ukrainians are the victims.

"The most crucial thing to know is that Ukrainians are not Russians, and that Ukraine is an ancient independent nation. Ukraine has a history of more than 1,000 years: Kyiv was a major metropolis and cultural center when Moscow was not even a village."
