**CLAW** is an outrageous theatrical spectacle where regular women arm-wrestle each other in character w/ costumes, theme music, and entourages. The result is a cross between a burlesque show, a barroom brawl, and pro wrestling. A hundred percent of net proceeds go to charity, so what's not to feel good about? Come to support women's empowerment, come to appreciate the costumes, come for the sport, come to drink, or come to benefit the charity.

**Upside Of Down** is a non-profit 501(c) (3) organization with a mission to increase Down syndrome awareness, education, research, and provide opportunities for individuals with Down syndrome.

Our daughter, Presley Elizabeth, was born on Sept. 22, 2005. We found out that she has Down syndrome (trisomy 21) about an hour after she was born. We wanted to do something that would make a positive impact and help others to see the UPSIDE of DOWN syndrome. [www.UpsideOfDown.org](http://www.UpsideOfDown.org)
