Greetings!

Welcome to the TEBA Senior Adult Ministry. The Senior Adult Ministry program is a vital part of the member churches of the association, designed to encourage fellowship, service and ministry. It offers churches of all sizes the opportunity to be involved in Senior Adult events that some churches may not be motivated or able to do on their own. The targeted ministry group is persons 55 years old and over and who are active members of an associational church.

We enjoy monthly devotions from God's Word by one of our associational pastors and warm fellowship with all who attend the Senior Adult Council meeting. As you would expect, we love to have fun, we love to go places, we love to eat and we love being together. We offer a variety of events and activities, such as music rallies, the annual retreat and joining with other churches in their Senior Adult events. We allow adequate time for fellowship and socialization around a cup of coffee and donuts. We strive to get better acquainted and genuinely connect with one another.

We would love to have you and your church join us!
