

GROBE'S GUIDELINES FOR TRAVELLING THE GROBE CHRISTMAS EXPRESS

Station #2

- Fresh Cut Trees
- Live Potted Trees

- Wreaths
- Decorated Urns

OUR GOAL – To heed the dangers posed by Covid-19 or influenza by providing as safe and enjoyable an experience as possible, to assist you when needed, and to try to get you home efficiently so that we all can enjoy a Merry Christmas!

WE KINDLY ASK THE FOLLOWING OF YOU:

- ⇒ Please **use our front gate entrance** to enter once the Christmas Express is open.
- ⇒ Please be respectful to others and continue to try to **maintain 6 ft or 2 m social distancing spacing** when visiting.
- ⇒ Unless health authorities deem it again necessary, **the**

wearing of a mask is now optional (though it is still recommended) throughout the property.

- ⇒ Please avoid touching items you don't plan to purchase.
- ⇒ We know children will be excited to be here, but we ALL need to exercise diligence and care. We ask parents to **kindly supervise them closely** and to **direct them to refrain from running, hiding or any activity** that may impact the enjoyment, anxiety and safety of staff and other guests.
- ⇒ **DRESS WARMLY** as much of our indoor facility is unheated to maintain Christmas tree freshness.
- ⇒ **Washroom access is limited**, is at some distance from the Christmas Express entrance, and should be for emergencies only as it is used solely at your own risk.

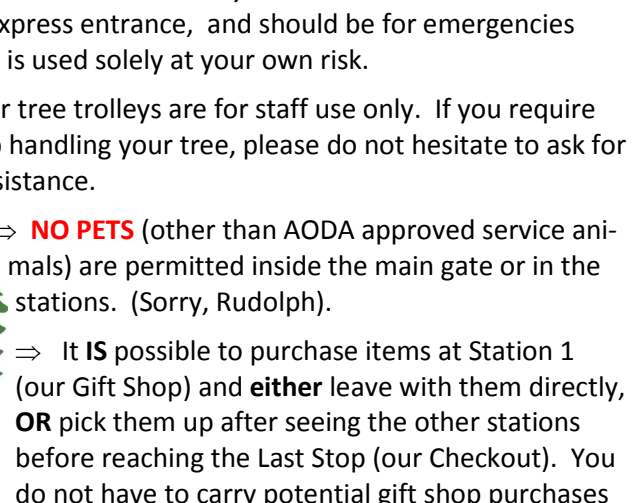

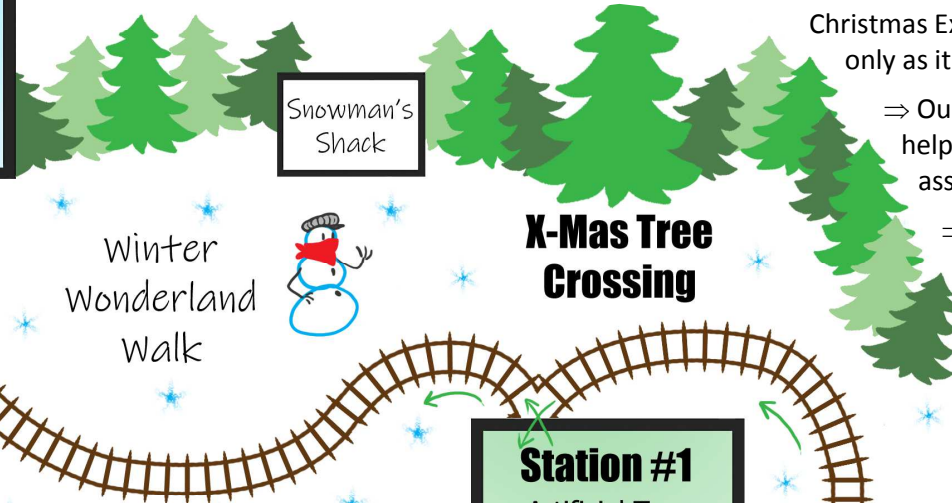

⇒ Our tree trolleys are for staff use only. If you require help handling your tree, please do not hesitate to ask for assistance.

⇒ **NO PETS** (other than AODA approved service animals) are permitted inside the main gate or in the stations. (Sorry, Rudolph).

⇒ It **IS** possible to purchase items at Station 1 (our Gift Shop) and **either** leave with them directly, **OR** pick them up after seeing the other stations before reaching the Last Stop (our Checkout). You do not have to carry potential gift shop purchases when shopping for greens or trees.

⇒ **When finished at the Last Stop, please exit.**

WE RESERVE THE RIGHT TO ASK ANY GUEST TO LEAVE GROBE'S FOR UNACCEPTABLE BEHAVIOUR.
