Quality Manufacturing System: San Francisco Salt Company facility is registered and inspected by the State of California. Our quality system and processes follows State and Federal guidelines ensuring a safe and consistent product to our consumer.
Packaging: <ul style="list-style-type: none"> Standard Bag Size Options: Retail 5oz, 2lb, 10lb and 20lb re-sealable poly bags. Pallets orders: 40" x 48" pallets. NMFC freight code 46260-01. Freight Class 50. Weight and height based upon packaging requirements.

Chemical Analysis Base Salt	
Parameters	Result
Sodium Chloride	> 98.4 %
Calcium & Magnesium (as Ca)	< 0.08 %
Sulfate (as SO ₄)	0.08 %
Moisture	<0.1%
Water Insoluble	<.02%
Copper	<1.0 ppm
Heavy Metals	<2.0 ppm
Iron (as Free FE)	<2.0 ppm

Analysis shows sea salt contains a wide array of trace minerals and elements. The chart above reflects the primary minerals and elements revealed by analysis.

MSDS Summary
<p>Hazards Identification: Not classified as hazardous material. No exposure limits have been established by OSHA. Possible dust irritation.</p> <p>First Aid Measures:</p> <ul style="list-style-type: none"> Symptoms: This substance is not considered toxic or dangerous, though care should be taken during use and any questions referred to medical personnel. Skin: Wash skin thoroughly and rinse. Eyes: Normal eye protection. Wash with warm water for at least 15 minutes (open eyes). Ingestion: If large amount swallowed get medical attention, and drink large amount of water. Inhalation: Leave dust area for fresh air and get medical attention. <p>Fire-Fighting Measures: Substance is non-flammable. Proper breathing equipment for fire-fighting. Extremely high temperatures (1400 Celsius) may produce Na₂O and Cl₂.</p> <p>Accidental Release Measures: No special measures required.</p> <p>Incompatibles: Strong oxidizing agents, Lithium, and Bromine trifluoride.</p> <p>Storage recommendations: Store in a cool, dry place. Avoid moisture and humidity. Shelf life: 6- 12 months as long as salt is stored in a well-sealed container in a cool, dry environment and away from sunlight.</p>

Please Note: All of the statements and technical data herein this document are based on manufacturer laboratory results or independent laboratory results, and without express guarantee, warranty or responsibility we believe the same to be reliable and true. Submission and receipt of this certificate does not preclude the purchaser or manufacturer from testing this item in the application it will be used in. Application of this product should be tested to assure suitability in the final product.
