3916 Old Lexington Rd.  
Winston-Salem, North Carolina 27107

Dear Friends,

The State of North Carolina is proud to welcome you to the *2013 Project Kick Off of Homes for Heroes*. Ann and I are so very appreciative of our great citizens that volunteer their time and effort to give back to those who have given so much. The impact you continue to make on the lives of these veterans, and the community at large, serves to elevate all of us.

The *2013 Homes for Heroes* has a project goal of rehabilitating 10 apartments, offering each to a homeless veteran in honor of their service to our nation. As you saw, sand, hammer and fashion these apartments into comfortable homes, you all become heroes yourselves to these veterans. Thank you for your dedication to service and to the communities of North Carolina.

Sincerely,

A handwritten signature in cursive script that reads "Pat McCrory".

Pat McCrory
