

**SAMARITAN
MINISTRIES**
FOOD FOR THE BODY. HOPE FOR THE SOUL.

November 29, 2010

To Whom It May Concern:

The members of Whole Man Ministries have been volunteering their time at Samaritan Ministries, a 69-bed homeless shelter for men and soup kitchen, since 2006 and still continue to give their time. They have volunteered as overnight volunteers, prepared and served breakfast to the men staying in the shelter and have collected over 50 suits of clothing to distribute to the men. Their Outreach Coordinator Reginald Sims along with Total Christian Television prepared a promotional video about our ministry. They have also provided and continue to provide van services to men staying in the shelter who want to attend church services.

As a ministry that depends on volunteers to operate 365 days a year we are grateful to volunteers like Whole Man Ministries and welcome their help. Together we are able to serve the hungry and homeless in our community.

Sincerely,

Robin Manka
