

Jeff Sweeten

It is either ignorant or dishonest to ascribe to a person or a people a faith they do not hold. Using a "strawman," a misstated belief, makes it easier to reject and members of the church of Christ often targeted with false assertions about what we believe. The correct response to these attempts to attach to us the worst possible twist on God's Word is to defend the truth.

This year's lectures will be discussing several foundational doctrines, taught in the Bible, that are frequently misrepresented by our religious friends, whether accidentally or intentionally. Since these responses will be taken directly from the Holy Writ, our speakers will be "Untying the Knots," and burning down that strawman! What something is not can easily be corrected by clarifying what it is.

The Park Heights church of Christ offers you an opportunity to hear – correctly – what we believe.
