

# Florida Onsite Wastewater Association, Inc. Membership Agreement

I \_\_\_\_\_ of \_\_\_\_\_  
(Applicant) (Name of Company)

pledge that my company and its representatives including myself will operate in a professional manner, respectful, and cooperative to the environment, abiding by the most current Florida statutes and FDOH rules, and the FOWA bylaws. Furthermore, we will not stand for others who operate in a manner contrary to that declaration. We will report violations by individuals and/or companies, both inside and outside of our association, to the proper authorities. We will conduct all work within the scope of this profession with the proper permitting required for the work. We will report all person(s) and/or companies who do not use the proper permitting process, to the proper authorities.

My Company and I, will act with the highest level of integrity. We will work to create and foster an environment of fairness, promote positive leadership and lead by example. We will maintain loyalty to the on-site industry in ways that best serve the public and industry interests. I understand that by being a FOWA member I am part of an elite group of industry professionals, for which, FOWA will hold my company and I accountable.

My Company and I, recognize onsite disposal systems are an important part of the infrastructure of our state and the need for proper installation and management.

I completely understand, agree and accept the conditions set forth in this Membership Agreement by signing below.
