

# **Awana Missionaries: *Always Here To Help***

## We serve together as a team.

The Awana missionaries in our area work alongside each other to help churches and parents raise young people who know, love and serve Christ. While some churches partner with a particular missionary, you can call any of us anytime for assistance.

**AwanaMidAmerica.org** has our phone numbers and email information.

## We focus on proclaiming the gospel message.

As we visit clubs and conduct events God gives us opportunities to share the gospel with thousands of children, teens and family members every year. Everything we do is supportive to our primary mission: reaching boys and girls with the gospel of Christ.

## We multiply our outreach by helping churches start new Awana clubs.

Our mission field includes every young person who needs to trust Christ as Savior and love Him with all their heart, soul, mind and strength. Meeting with pastors and parents and helping them start Awana at their church expands our impact across the region.

## We train workers for local church ministry.

Awana missionaries offer basic training for new workers every summer plus advanced training through our ministry conferences in the fall. Throughout the year we meet with groups of Awana workers to provide advice and encouragement. We are always here to help equip workers to serve more effectively.

## We help churches conduct evangelistic events.

Outreach events have proven successful for reaching family members with the gospel. Awana Games, Grand Prix races, Bible quizzing, Regatta, Fun Fair, and other activities attract the moms, dads and siblings of clubbers; we make sure each attendee hears the good news. We have equipment that churches can borrow to conduct their own special days.

## We provide opportunities for expanded service.

People who want to take the next step in serving the Lord through Awana can volunteer for our ministry team, a group of dedicated leaders who help other clubs be successful. We can also make the connection for your club to link up with an overseas club and have an international impact for the kingdom.

## We are faith-supported.

Awana missionaries look to God in faith for provision of all our financial needs through partnership with local churches and individuals who share our vision for ministry.
