

Steve Pam & Peter Schenk

Awana missionaries in Ohio

February-March 2018

The secret of real spiritual power in the ministry is that of personal, maintained relationship with God. Whatever habits are necessary to the individual man to maintain such a relationship he should cultivate and observe. G. Campbell Morgan

Praise the Lord!

- ☆ Event evangelism! Many churches sponsor events such as Grand Prix races as opportunities to invite families, have fun, and introduce people to Christ. These past two months we have helped multiple churches conduct events and reach more kids for Christ.
- ☆ At the events where Steve attended over 2200 people heard a gospel message. We sow the seeds, God gives the increase.
- ☆ When a church starts Awana the first three years are critical in establishing a fruitful ministry. We were able to visit three of these clubs recently to offer encouragement and resources for their workers.
- ☆ We have many long-time friends here in Ohio and we were able to reconnect with a few of them this past month. We also met three new commanders and four new pastors.
- ☆ We helped with a Bible quiz where lots of kids studied hard to learn God's Word, plus a games day with about 300 clubbers and parents in attendance.
- ☆ Spring has arrived! Warmer weather brings more opportunities for service and outreach.

Please pray for us:

- ✱ We pray for a strong finish to this club year. Many churches have end-of-year celebrations scheduled and have invited us to help. Pray for clarity in presenting the gospel.
- ✱ There are still lots of outreach events scheduled for April and May-pray for effective planning, good attendance, and spiritual emphasis.
- ✱ Pray for our first-year clubs to finish well, assess their ministries, and begin preparing for next club year.
- ✱ We are making plans to see grandkids in the next few months: Pam is traveling to San Diego in April, and we are all heading to Oklahoma in July. Pray for good weather and fun times.
- ✱ Pray for churches that are considering Awana for their kids, that we could help them start strong.
