

Puggles Creation Finger Play

God made the sun. **[Hold your hands above your head in a big circle.]**

So we can see. **[Point to eyes.]**

God made the stars. **[Hold fingers out & wiggle them as if to 'twinkle.']**

And God made ME. **[Make a big gesture pointing to yourself.]**

God made the frogs. **[Cup hands together tenderly as if holding a baby frog.]**

To hop with glee. **[Hop one time.]**

God made the birds. **[Wave or flap arms.]**

And God made ME. **[Make a big gesture pointing to self.]**

God made my ears. **[Point to ears.]**

God made my knee. **[Point to knee.]**

God made my fingers. **[Wiggle fingers out in front.]**

Yes. God made ME. **[Make a big gesture pointing to yourself.]**
