Pastor:

Reverend Steven Beckham

The Marriage Service:

We are pleased that you have chosen Gloria Dei Lutheran Church for your wedding. The wedding ceremony is a worship service. It is a happy occasion and an opportunity for us to rejoice in all the gifts God has given to us. **Gloria Dei's Pastor presides at all weddings.** (Rare exceptions, in special circumstances, may be made.)

At Gloria Dei, marriages are performed throughout the year except during the week preceding Easter (Holy Week), when the church is focused on the last week of our Lord's life.

Your wedding may be as simple and private, or as large and elaborate as you desire. The pastor and the wedding coordinator will assist you in planning a service appropriate for you.

Music:

Because your wedding is a worship service, the music needs to be carefully chosen. Our church organist has many suitable selections to choose from. The pastor may also assist you in making appropriate selections, which reflect your personal preference and are in keeping with the nature of worship. Additionally, instrumental music, such as piano, violin, flute or harp may be added to the service.

Flowers:

Any flowers/decorations for the sanctuary need to be discussed with the Wedding Coordinator. Floral displays are limited to: one floral spray on the altar, two flower arrangements on the pillars next to the lectern and pulpit), and small arrangements in the side windows. Your florist may add ribbons and bows to pews if attached in a way so as not to mar the furniture surfaces. A bow with a sprig of Baby's Breath may be placed on the candelabras.

Candelabras:

Two white candelabras (7 candles each) are available for use during the ceremony. Your flowers may be taken home or left for the congregation's Sunday worship. Please let the wedding coordinator know your decision. The added fee covers the cost of replacement of the candles.

Miscellaneous:

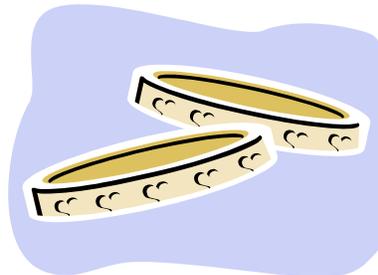

Unity Candle: The candle ceremony may be included in the service after consultation with the pastor. You may provide your own unity candle, or unity candle arrangement. Please speak with the wedding coordinator for ideas and suggestions about where to find them.

Wedding Programs: You may decide to print an Order of Service, listing the participants in the wedding. The Pastor will assist with the ordering, layout and printing. It is essential to pay close attention to the Order of Service.

Guest Book and Gifts: You may want to appoint a close friend to manage your guest book and any gifts brought to the church.

Aisle Runner: We do not encourage the use of an aisle runner as we have only the center aisle; also because it is difficult to keep in place and it is usually in the way for pictures.

Seating Capacity: Our church seats approximately 200 people. This includes seating in the balcony. Discuss with the Wedding Coordinator whether you wish all your guests to be escorted to their seats, or just the parents and grandparents of the bride and groom.

Photographs and Video Tapes:

It is important that there be as few distractions or disruptions as possible during the service. Therefore, your photographer must understand our policy. If it is at all possible, the photographer should visit the church to understand our lighting, etc.

1. Photographs may be taken before the ceremony, outdoors, or in the bride's dressing room. All photographs before the ceremony need to be completed 15 minutes before the ceremony. After the ceremony, photographs may be taken in the church, including re-staging portions of the service. You and your photographer may decide on an appropriate time allotment; however, if the picture taking extends beyond 45 minutes after the ceremony, an additional \$15 will be paid to the wedding coordinator from your security/misc. deposit.
2. Flash photography is only permitted during the processional and recessional. Other photographs may be taken during the service with natural lighting from the back of the church or out of view of the guests.
3. Your ushers will be asked to remind your guests arriving with **cameras or cells phones** that **no flashes** are permitted during the ceremony. This helps preserve the dignity of the ceremony.
4. Video cameras (without lights) may be placed in the back at the center of the church, or in the balcony. A camera may be set up to the side of the chancel area, only if left unattended.

Obtaining the License:

The "License and Certificate of Registry of Marriage" is available at the County Recorder's Office. You must both be present. There is a fee for this document. The document is valid for ninety (90) days. Please bring this document to the church office no later than the Wednesday prior to the ceremony. The County Recorder's Information Telephone Number is (562) 462-2137.
