Budgewoi Football Club welcomes you all for the upcoming 2019 football season, commencing in April.

We are a community-based football club promoting a fun, safe environment for all players.

**Online registrations are open on January 14th 2019 and close on February 15th 2019.**

From February 15<sup>th</sup> 2019 BFC will only take player registrations if players are required to fill vacant positions. Some of our age groups fill fast and others are vacant for some time. Only fully registered and paid players will be allocated spots in teams.

Central Coast Football has advised that they will continue with the “cashless referee structure”. All referees will continue to be paid by CCF and not cash on the day at the clubs. Therefore we have again incorporated referee and cadet referee fees in everyone’s player registrations.

Please note the referee fees charged are on a 75% ratio of referee availability, there will still be some games that we are not allocated a referee or cadet referee.

### **Important Notice**

To become a registered player and be eligible to play for any BFC team;

**FULL PAYMENT must have been received and processed.**

**THIS APPLIES TO ALL PLAYERS**

**BFC reserve the right to decline any player’s application**

A successful Club can only be run with the support of its families and players. Our teams will be ‘rostered’ to provide 2 or 3 people to assist in field set up and pack away and one to help with our official table, this includes Junior’s on Saturday’s and Senior’s on Sunday’s.

### **What does BSC and BFC Mean?**

Budgewoi Soccer Club (BSC) is the licensed premises here at Millington Way, Buff Point. It is 1 of 8 clubs under the Wyong Rugby League Club Group (WRLCG). Budgewoi Football Club (BFC) is the major affiliated sporting club of BSC.

## Team Allocation

Although we do our best to accommodate all registered and paid players, sometimes unfortunately as team numbers are limited your child may miss out on a place even when registered in the system. We do our best to allocate numbers and close teams as they become full, in the unfortunate case that our numbers are not correct and a player is unable to be allocated into a team a full refund will be issued.

## Grading

BFC believes that football is most enjoyable when players are challenged but not overwhelmed. With this in mind we try to place players into teams of similar ability and then place each team into a division that will make playing both challenging and enjoyable.

When deciding which team a player will be placed in, we consider last years' team performance, reports from coaches, performance on grading day/trial game days.
