

BUDGEWOI FOOTBALL CLUB

JUNIOR U8-M18 2020 TRIAL GAME PROVISIONAL TEAM LISTS

These team lists are interim team lists only which can be changed by the Technical Directors. They are not final team lists for the 2020 season. The final team lists will be completed after trial games are completed, changes to these team lists may be made at the Technical Directors discretion.

All players aged 8 up to aged 18 are graded at Budgewoi FC. The purpose of grading is to ensure each individual player gets maximum benefit in terms of both development and enjoyment. Players are placed into a team that is suited to their ability demonstrated during the previous season, grading days and in the trial games. Grading placement is decided upon discussions with technical directors and grading assessors.
