

March 25, 2020

Because of COVID-19, our normal Sunday Church School and worship service have been suspended until further notice. Everyone is asked to worship via livestream, which is found through our webpage, www.glockbc.org or by visiting Youtube.com and typing Greater Little Rock Baptist Church Live Stream in the search box.

Please adhere to the guidelines as given by the CDC, and PLEASE be as safe as possible! We know that by the grace of God we will get through this – for His glory. And remember, even through all of this, don't stop blessing His name.

Check back for any additional information as it becomes available.

CRE! LIFTING!
