“Praying the Bible,” by Donald S. Whitney

October 26, Week 8

Chapter 8: Evaluating the Experience

NOTES

After students have prayed through a psalm (or another scripture), Whitney gives us the most common responses he has received. This is what he shared with us in chapter 8 (let’s discuss each one; did this/these also fit you?):

My Mind Didn’t Wander

My Prayer Was More About God and Less About Me

What did Whitney say about ACTS? What is ACTS an acronym for?

The Time Was Too Short

It Seemed Like a Real Conversation with a Real Person

The Psalm Spoke Directly to the Life Situation I Am in Right Now

I Thought More Deeply about What the Bible Says

I Had Greater Assurance That I Was Praying God’s Will

I Prayed about Things I Normally Don't Pray About

I Prayed about the Things I Normally Do Pray about but in New and Different Ways

I Didn't Say the Same Old Things about the Same Old Things

If You Teach This to Others, what should you do?

1. _____

2. _____

"To be a Christian without prayer is no more possible than to be alive without breathing."
- Martin Luther
