3. **Attire** – Children should wear comfortable play clothes and tennis shoes are required. **Children who are wearing flip-flops, crocks, etc. will not be allowed to participate in recreation due to safety concerns.** Children will be creating crafts with glue and paint, as well as playing outside.
4. **Behavior Expectations** – We strive to create a safe and welcoming environment for all of our VBS participants. We want all of our children and volunteers to have a great time at VBS, so everyone should treat each other with courtesy and respect. We reserve the right to contact parents if children are not following the behavior expectations.
5. **Items from home** – At VBS we will have fun and be busy with Bible study, activities, crafts, and music. Children do not need to bring toys or any electronic devices (Cellphone, tablets, and video games, etc.) that act as a distraction.

We are so excited to have your child as a part of our Vacation Bible School. If you have any questions, please feel free to contact our business office (850)433-4787
