

**ABOUT THE
FBC MUSIC & ARTS ACADEMY**

The First Baptist Church Music and Arts Academy is a not for profit ministry that was established to provide quality instruction in the arts in a Christian setting to the people in the Carteret County Community. Our purpose is to lead students to develop and use their God-given talents for the glory of the Lord through excellence in instruction and Christ-centered love.

The program offers private and group instruction for a wide variety of ages from young children to mature adults.

Registration forms are available online at fbcmhc.org.

**TUITION
PAYMENT OPTIONS AND FEES**

Tuition

A \$20 registration fee is due with the registration form unless tuition is paid in full at the time of registration. If paid in full the registration fee is waived.

Payment Options

Option 1: Payment in Full.

Cash or check by mail or in the church office.

Option 2: Installment Plan.

Only credit or debit cards will be accepted. The same credit or debit card used to pay the \$20 registration fee will be billed four monthly payments, (January 1, February 1, March 1, and April 1) through an automated recurring billing cycle that you set up online. Again, this will be the only option for using the installment plan.

ACADEMY OFFERINGS

Village Class **Ages Newborn – 17 months**
Two 7-week sessions **Classes begin February 5**
Tuesday 10:30am—11:15am **Cost: \$230.00**
Parent or caregiver attends with baby.

Hickory, Dickory, Tickle, and Bounce! Research shows the more you expose your baby to nursery rhymes and songs, the stronger those emerging language-learning skills will be. That's why these Mother Goose-like stories and rhymes are the main theme of this class. Plus, you'll develop research-proven communication strategies with your child through listening activities, speaking "parentese," and sign language. The Rhythm of My Day will help you bring more rhythm and routine to your baby's day, as well as help develop lasting learning skills. Learn how music can help your baby soothe into the day's schedule and build a strong body and mind network for learning. During the week, families will enjoy their At Home Materials, including a picture book, art banner, CD of the songs heard in class and an instrument for music-making at home.

Our Time-Class **Ages 18 months -3.5 years**
One 14-week session **Classes begin February 6**
Wednesday 10:00am-10:45am **Cost: \$220.00**
Parent or caregiver attends with child.

Fiddle Dee Dee—An animals theme prevails in the books, activities and songs—each specifically chosen for a toddler's emerging interests and physical skills. With silly, bumpy lap bounces we'll help toddlers develop rhythm while further developing their ever-emerging language skills. With a special stringed instrument emphasis in music from class, parents can bring home the violin, cello, and orchestra sounds to help their toddlers stay happy and engaged learners at home, too. Move, play and sing together in developmentally appropriate activities created just for 1½ to 3 year olds. Home Materials: Double CD features songs, sounds, and recordings of favorite activities from class; two story books—This Little Piggy Played Fiddle and Animal Serenade, to develop early literacy skills; Home Activity Book; and a pair of Fiddlestick instruments all arriving in a durable lunch bag.

Imagine That! Class **Ages 3.5-5 years**
One 14-week session **Classes begin February 6**
Wednesday 11:15am-12:00pm **Cost: \$225.00**
Parent or caregiver attends the last 15 minutes of class.

Cities! Busy Place-Friendly Faces—In this unit, sidewalks, elevators, skyscrapers, and world traveling photographers are the theme. Learning through the pretend play that preschoolers adore, we'll be rhythmically busy playing storytelling games and handcrafting city "buildings" from wax paper at home so we can make a cityscape in class. Plus every activity has some at-home adaptations so the parent can take part in the learning. With a pair of resonator bars as a featured instrument, and a multicultural, jazzy collection of music, preschoolers will develop the social and intellectual skills they'll need in school. Imagine That! Home Materials: Two books, Two Home CDs, Cities Game Set, a Family Activity Book, 2 resonator bars, and a backpack

Art Class

Students will experience a variety of media, which may include paint, clay, beads, mixed, and collage. Drawing skills will also be included. Fine motor skills and creativity will be developed through the many different projects.

Dance

A class for students that focuses on musicality and movement inspired by Christian music. Opportunities for public performance may be offered.

Chorus

Students participate in public performances and gain confidence in their own growing musical competence. Sight-reading skills, good vocal production, music appreciation, and expressive delivery are all taught. This opportunity provides excellent experience for future worship leaders and church accompanists.

Music Therapy

Music Therapy is an established healthcare profession that uses music to address physical, emotional, cognitive, and social needs of individuals of all ages. Music Therapy can improve the quality of life for individuals who are well and also meets the needs for persons of children and adults with various disabilities or illnesses.

Music therapy interventions can be designed to:

promote wellness, manage stress, alleviate pain, express feelings, enhance memory, improve communication, and promote physical rehabilitation. Music activities such as singing/vocalizing, movement, and instrument play are designed to be success oriented and enjoyable.

Music Therapy services at First Baptist are provided by a Board Certified Music Therapist, who has completed an undergraduate degree in Music Therapy at an accredited university. Upon registration for these services an individual assessment with the music therapist will be scheduled at a time agreed upon by the therapist and the caregiver. During this time specific questions will be asked and the client will be asked to perform specific tasks so that individual needs and goals can be established.
