

We understand the joys and frustrations of pet ownership! Although we can't replace the legs on your kitchen table or your best pair of shoes, we can do our part to help keep your best friend out of the doghouse.

Should anything happen to accidentally damage your Lupine product - including chewing mistakes -

you can try contacting any local Lupine retailers to see if they are able to replace the item for you. Not all retailers offer in-store exchange.

Or simply mail the item to us:

Lupine Returns
PO Box 1600
Conway, NH 03818

**** Include your name, mail address & email or phone number. ****

Your replacement goes back in the mail the next business day after the damaged item is received.

There's no need to send the original receipt or our cost for the return postage.
