

THE VOICE OF CCIM - MISSIONS

September 2009

CHARLENE CROSSLEY INTERNATIONAL MINISTRIES

Go ye into all the world and preach the gospel to every creature. That is the great commission, the command, from our Lord Jesus Christ.

TO GOD BE ALL GLORY

Because you gave they are here

The first For Women Only meeting at the Training Center. The ladies were so excited to be there that they want to meet on a monthly basis. The women in another village that were not able to be there in number has requested the next meeting to be held in their village. They are hungry for the word of God and fellowship. God Is just expanding the vision in Asesewa. There were over 40 women at this meeting. Some of the women were there with their baby on the back. The two ladies down front are the missionaries God is using to continue the work for us. Hallelujah! He has sent some one to work along side us. There is further information inside these pages. I hope you will join us in financial support as well as prayer support to help keep things going to the glory of Almighty God.

We are getting ready to finish out this phase

Thank you partners, the dream is becoming a reality.

I have a promise over my life from God, and He has said He would bless those that bless me, so I say unto you call on Him to bring it to pass. You have been and still are a blessing to me and CCIM and the people of Asewewa, Ghana West Africa and the Philippines. And the beat goes on.

FWO= FOR WOMEN ONLY

To God be all glory, honor and praise. This is the first FWO– for women only, meeting in the Training Center. The DVD shown was from a conference held in 2007. They were able to hear the Word of God preached in English and in their dialect. As you can see from the photos they started out inside the ministerial unit but the group size grew so much so they had to move to the porch. The village women are hungry for the word of God and for the fellowship. Your financial donations are doing more than building buildings. You are changing lives. If you change the woman's life you change her family's life also. They were so excited and so blessed by the one day session they are asking for other meetings that will be held on a monthly basis.

Just think the Pastors and Leaders are meeting and now the doors are open for the women to attend meetings just for them. Can the school for the girls be too far behind?

A donation of \$100 can sponsor a meeting for the women. That is transportation for the leaders, water and cold drinks for the attendees. Sow a financial seed and reap a mighty harvest from God by being responsible for one meeting to minister in the lives of who knows how many families.

Please pray for us as we prepare other DVD's to send to them. Every talent that is within us is being used to get the gospel out. Believe it or not my team is doing the filming, editing the film and burning the dvd's.

THANK YOU FOR ALL THAT YOU DO TO MAKE THE VISION OF GOD HAPPEN. YOU MATTER.

Partnership continues ~

OUTREACH UPDATE:

THE BOOKS HAVE ARRIVED

As you can see the barrels have arrived. This is what you partners helped do for this year 2009. These 4 barrels contain hundreds and hundreds of books that were donated by the Carol Mosely Braun school in Calumet City. The shipping cost over \$1300.00.

I will be sending the distribution list to them so that they can be given to the School Masters. School opens for the children after Labor Day. They do not observe that holiday there but it will be the second week in September. God is so good, we wanted to get them there for school opening. Can you imagine the excitement when the children see the new book!
