

The Star Volunteer this month is Allen Loree.

Allen has quickly become the PTA's go-to guy whenever there is a project which requires skilled craftsmanship.

Allen has assisted with nearly every major PTA event this school year, Fall Festival, Santa's Breakfast, Sock Hop, and most recently he began reworking the game booths for the Spring Carnival.

If you have an idea, Allen will take that idea, and come back with something better than you ever dreamed possible.

We are extremely fortunate to have a volunteer as talented as Allen at New Castle.

The PTA has a small token of our appreciation, and we will be donating a book to the New Castle library on Allen's behalf.

Congratulations, Allen.
