Kenneth R. Fabre'
Founder/President

Dear Fellow Servant/Leaders:

I trust that this short personal note finds you, your families and your ministries, doing well while growing and abounding in the Grace of our Father, the Ancient of Days and His Son Jesus Christ, our Savior and LORD.

I became born again while in law school in 1986, filled with the Holy Spirit in 1987 and have been ever since endeavoring to allow Him to disciple, train and transform me experientially into His image and likeness under the auspices and tutelage of the Holy Spirit. I was licensed by the late **Dr. Wade E. Taylor, President of Pincrest Bible Training Center of Salisbury Center, New York** in 1992. I was ordained by the late **Apostle Joshua 'Turnel' Nelson** and **Dr. Myles Munroe** of the **International Third World Leaders Association, ITWLA**, in 1997.

During God's processing of my life over the years, from the beginning I have clearly been made aware of my Calling and Assignment to serve the Body of Christ primarily as a Servant/Leader, Teacher, Counselor and as a Minister of Helps to other Ministry Gifts, Organisms and Organizations within the Body of Christ. Over the years as I have diligently studied and fed upon His Word, the LORD continues to blessed me with keen spiritual and scriptural insight and saturate my understanding with the salt of revelation knowledge.

Consequently, as I have engaged in set aside times of consecration, He revealed to me the following:

"You are called to Teach the Body of Christ as a whole the following primary areas:

1. The Manifest Presence of God;
2. Ear Training and the Voice of God;
3. The Soulish Realm especially as it relates to Faith, Doubt and Unbelief;
4. The Kingdom (Government) of God;
5. Our Giving MUST be Willing;
6. His Blood Covenant;
7. God's Process through Kingdom Intercession; and
8. Coming to Know God through Intimacy with God."

This personal note is addressed to you to humbly request your and your ministry's prayers and Intercessions for this Calling and Assignment, as I make you aware of His primary purposes for my existence here on earth, which are to **help and serve** the Body of Christ as a whole. The LORD has plainly instructed me even as Paul admonished Timothy in 2 Tim 2:2, to '**take the divine revelation you have learned from Me and teach it to other faithful men---men with proven spiritual character and giftedness, who will in turn pass on those truths to another generation.**' I was awesomely, yet humbly excited when He made me realize that... from me to you, from you to the faithful men and women of your ministries, from these faithful men and women to others, encompasses 4 generations of **Godly Servant-Leaders**. This God ordained process of spiritual reproduction, which began in the early church, is to continue until our LORD returns.

Thank you very, very much in advance for your favor, support and especially your prayers and Intercessions for me and my family as the LORD leads you.

Hopefully we will have the opportunity to discuss these principles and many others more fully when we speak or meet again, which I trust will be soon in the fullness of His time.

With warmest, personal regards, I remain...

IN HIS MATCHLESS LOVE
