

What's Personality Got to Do With Love?

Everything!

Come join this fun and enlightening pre-Valentines Day event

Did you know our personality type impacts:

- What love means to us
- How we express love
- Who we want to be with
- The expectations we bring into relationships

This lively program will help you:

- Understand the effects of personality on love
- Learn what each personality type needs to feel loved
- Keep love alive and make relationships work

Whether you are single or in a partnership, come learn the dramatic impact our personality has on our love relationships

Thursday, January 24, 2008 7:00 - 8:30 p.m.

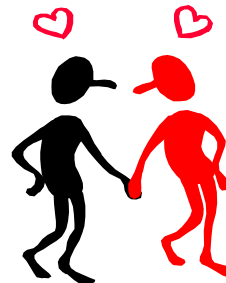

Fountain of Health Learning Center, 2820 T Street, Sacramento, CA

Investment \$30 (cash or check)
