

Covid Update and Changes in Worship

The CDC has eased its guidelines on pandemic cautions and recommendations, stating that fully vaccinated people do not need to wear a mask or physically distance during outdoor or indoor activities of any size.

This means some changes for worship at Tree of Life.

We understand that many of our members and visitors are thrilled about finally being able to attend worship without a mask...and we look forward to seeing your smiling faces! (Literally!)

We also understand that many of our members and visitors are unable to be vaccinated or for a variety of reasons are still uncomfortable being near people who are not masked. We love and respect all of our people and we want you to feel comfortable and safe in being in the church.

So...**beginning Sunday, May 16**, space in the sanctuary will be reserved for those who wish to wear a mask and be seated with others who are wearing masks.

- Please **RSVP by 9:30 Sunday morning** if you plan to attend the **10:30** service and want to be seated in the reserved area. Reservations are not required, but we want to be sure to have enough space for those who want it. To RSVP, click here: <https://rsvp.church/r/maSxBHNr>
- **All people seated in the reserved space will be expected to wear masks throughout the service.**
- Masks will be **encouraged but not required** in other sections of the sanctuary.

Reservations are not needed for people who attend the 8:00 service or who attend the 10:30 and do not wish to sit in the reserved space.

If you have any questions or concerns, call the church office at 936-539-9530 (option 3) or email OfficeMail@TreeChurch.net.
