To Whom It May Concern:

The purpose of this letter is to establish that I have known Reverend Gil Kaplan for approximately 20 years. During this time, he has often ministered at the church where I pastor.

Gil has always been very effective and well prepared, and his ministry has been beneficial to our congregation. His main emphases were in the area of Jewish history, Jewish holidays and Messianic prophecy.

He has always exemplified a great knowledge of the scripture. He is very capable of preaching or teaching on other various subjects in addition to those I mentioned previously. As a very gifted and committed Christian, I recommend him to you without reservation.

Respectfully Submitted,

W. Donald Price
