Subject: Recommendation of Pastor Gil Kaplan

To Whom It May Concern:

I personally have known Gil Kaplan for about three years, having been introduced through another pastor, whom Pastor Gil was serving as an associate. Pastor Gil, after having demonstrated accuracy and compassion in personal prophetic ministry along with excellence in teaching, was invited to become a GateKeepers Prophetic Minister. Pastor Gil and his wife Brenda over the years have become treasured members of GateKeepers International Prophetic Network. Their integrity, sincerity and excellence in ministry have become an inspiration to many.

For the past two consecutive years I have been on the board of advisors for the National Day of Prayer events for which Pastor Gil has been event coordinator and master of ceremony. These past two National Day of Prayer events, held at Valley Cathedral and Church for the Nations, were not only coordinated with excellence by Pastor Gil, but also were anointed, impacting many lives for Christ. The services were orderly, inspirational and spiritually significant.

I personally give my highest recommendation to Pastor Gil Kaplan and I count it a privilege to assist him in ministry in whatever capacity necessary, including the upcoming National Day of Prayer on May 4th, 2006. I sincerely hope you will accommodate him as well.

Blessings!
