To Whom It May Concern,

I am writing this letter to endorse the ministry of Pastor Gil Kaplan. I have known Gil for over 7 years now since taking over Jewish Voice Broadcasts, the ministry his father founded and directed for over 30 years. Over the years, he has appeared many times as a guest teacher and host on our nationally syndicated radio and television broadcast.

Pastor Gil is an anointed and gifted teacher and expositor of the word of God. His deep, systematic, revelatory teachings have been a blessing to our ministry as well as many in the Phoenix area. His teaching is greatly used by God to help believers rediscover the Jewish roots of their Christian faith and equip them to share their faith with Jewish people.

He is a man of compassion and integrity, mature in the Faith and of godly character who has walked with the Lord for over 50 years. He holds a ministerial degree from Sweetwater Church of the Valley Bible School, where he also ministered and taught for many years. He also holds a Bachelors degree in Theology from Desert Rose Christian College.

Pastor Gil, together with his wife Brenda, are a dynamic ministry team and move powerfully in intercession and the gifts of the Holy Spirit. They have worked together since 2004 to coordinate the National Day Of Prayer in the Phoenix area, with Gil acting as Master of Ceremonies. Since they have assumed leadership for this event it has grown both in attendance and quality. I have participated with them on this several times and can testify first hand that they have done an outstanding job.

I enthusiastically stand behind Pastor Gil's ministry and am certain that he will be a blessing to your church or fellowship.
