Subject: Recommendation of Pastor Gil Kaplan

To Whom It May Concern:

I have worked directly with Pastor Gil Kaplan and his wife Pastor Brenda Kaplan for the past few years in coordinating National Day of Prayer events. In working with the Kaplans, we have met on a monthly basis and correspond through email and by phone between the meetings.

Pastors Gil and Brenda were the NDP Evening Event Coordinator in 2004 and 2005. Clearly, they are gifted in many ways and specifically in the areas of leadership and administration. Each year, they assembled a highly-effective event planning team about six months ahead of the event and had most every detail nailed down several months prior to the event. They were responsible for coordinating the event program, participants, facility, budget, and volunteers. They also ensured the event facility was left in top shape after the event.

I have been involved in many event-planning efforts over the years and cannot remember events so well planned. The Kaplan's leadership and preparation resulted in incredible events.

Given their abilities, Pastors Gil and Brenda have every right to boast and yet do not. They are quick to remain humble and give God the glory. Obviously, that is the key to their success. I highly recommend this couple and am excited that they will continue as the NDP Evening Event Coordinators for 2006 and, God willing, beyond.

Sincerely,

**Mike Frisbie**
