

Dear Brothers and Sisters,

I hope you'll be joining us this Sunday night at 6:00pm for our annual Parish Picnic - it will be a great evening of food, games and activities and time to spend with family and friends. We don't have a Family Dinner Night this month because of the Parish Picnic, so please join us as our parish family gathers for a great time together! (Our next Parish Family Dinner Night is scheduled for Friday, July 26).

This Sunday you'll notice that our vestments are back to the color green - the first time on a Sunday since February 10. The Sundays of Ordinary Time are lived out in the light of Pentecost - these are the days when we continue the mission of the Church that was launched on Pentecost Day, when the disciples were set on fire with the love of God and pushed out by that love into the world, so that all might know and experience the love of God made real and visible in Jesus. Even though the summer is often a more relaxed time, the liturgical color of green reminds us that the Lord is always offering more life and growth in our spiritual life, both individually and as a parish. Please know of my prayers for you in these coming weeks that you will continue to grow close to the Lord, with your hearts ever set on fire with love of the Lord and neighbor.

In the coming week, we will be getting ready to say goodbye to Nick Sungenis, as his time in the parish comes to a close. It has been a blessing to have him with us, as he shared his love of God in service to our parish and school over this past year. Please keep Nick in your prayers as he follows the Lord and says yes to all that He has in store for him. We will also be getting ready to welcome a new pastoral year seminarian: Josh Laws. Josh is completing his third year of theology at the Pontifical North American College in Rome (my own alma mater) and will be joining us for the upcoming year, through the summer of 2014. We are blessed to have the presence of so many seminarians in our parish and I pray that their example will inspire the young men and youth of our parish to think about God's call and plan in their own lives.

Have a very blessed Sunday and new week!

*Rev. Erik Arnold*

### GETTING TO KNOW OUR CATHOLIC SAINTS: *Saint Anthony of Padua (1195-1231) Feast: June 13*

St. Anthony, one of the greatest Franciscan saints, was not from Padua in Italy, but from Lisbon in Portugal. Wishing to die evangelizing the Moors in Morocco, he was forced to return humbly on account of illness. The last year of his short life (he died at 36) was spent in a convent that he founded in Padua, and there his relics are to be found. Indeed, the Saint's tongue is the only part of his body that was found incorrupt upon translation of the remains, a testament no doubt to his fantastic preaching ability. No one suspected Anthony's oratorical talent until he was called upon to preach on an occasion when all others were unprepared and unwilling. Once discovered, Anthony began a short but dramatic career of bringing huge throngs to conversion, including many heretics (hence, his title "Hammer of Heretics"). Mainly, the saint sought peace and mercy in a time of tyranny and avarice. He is credited with a vast array of miracles, the most celebrated of which may be his preaching to fish. Anyone wishing to cast doubt on them all must reckon with the fact that some are well attested, the Pope was moved to canonize him within one year of his death, and he has ever after been besought for help in finding lost objects. He is pictured with the Child Jesus, Who once appeared to him in a vision.
